

Stakeholders Workshop
5 November 2020

National Access Point
Italy

Danilo Giaquinto
Italian Ministry of Infrastructure and Transport
Road safety information coordination centre (CCISS)

Data4PT has received funding from the European Union's DG for Mobility and Transport under grant agreement No MOVE/B4/SUB/2019-104/CEF/PSA/SI2.821136

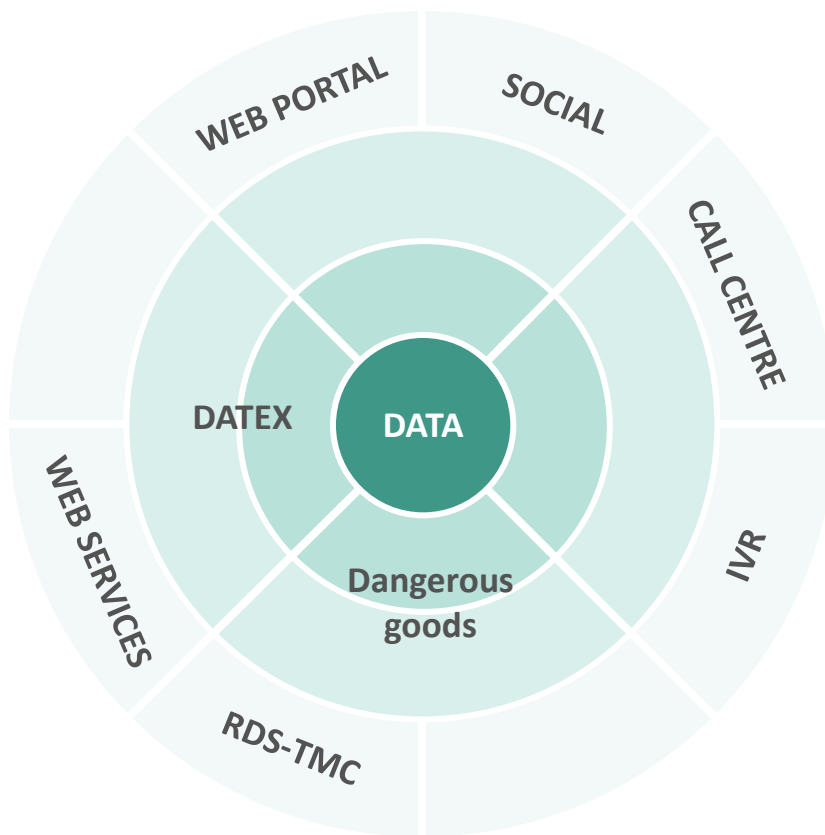

Strong point: CCISS collects and delivers real-time road and traffic data

The system is already in place

2013/886
2015/962

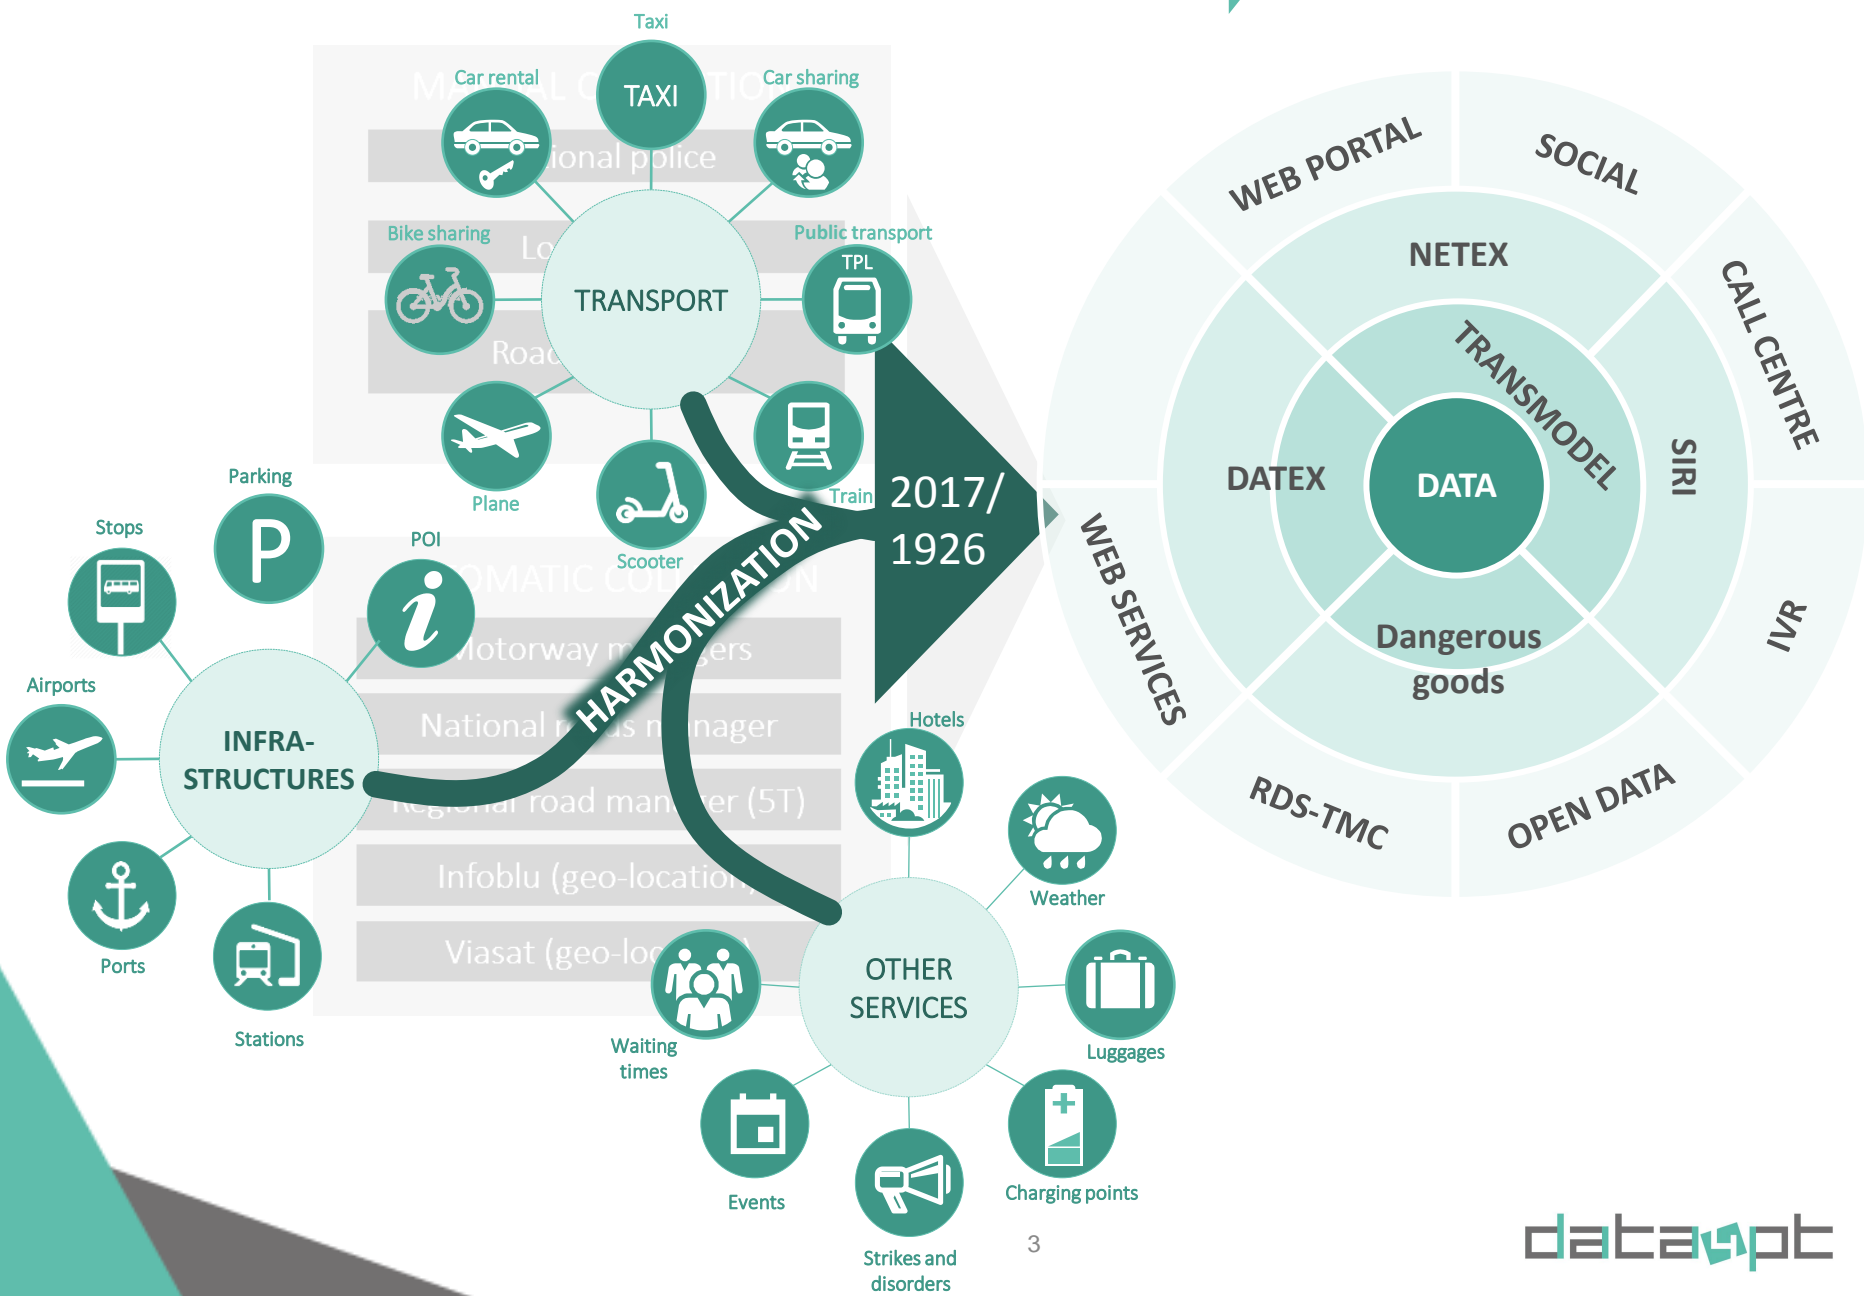

Weak point: CCISS collects and delivers real-time road and traffic data

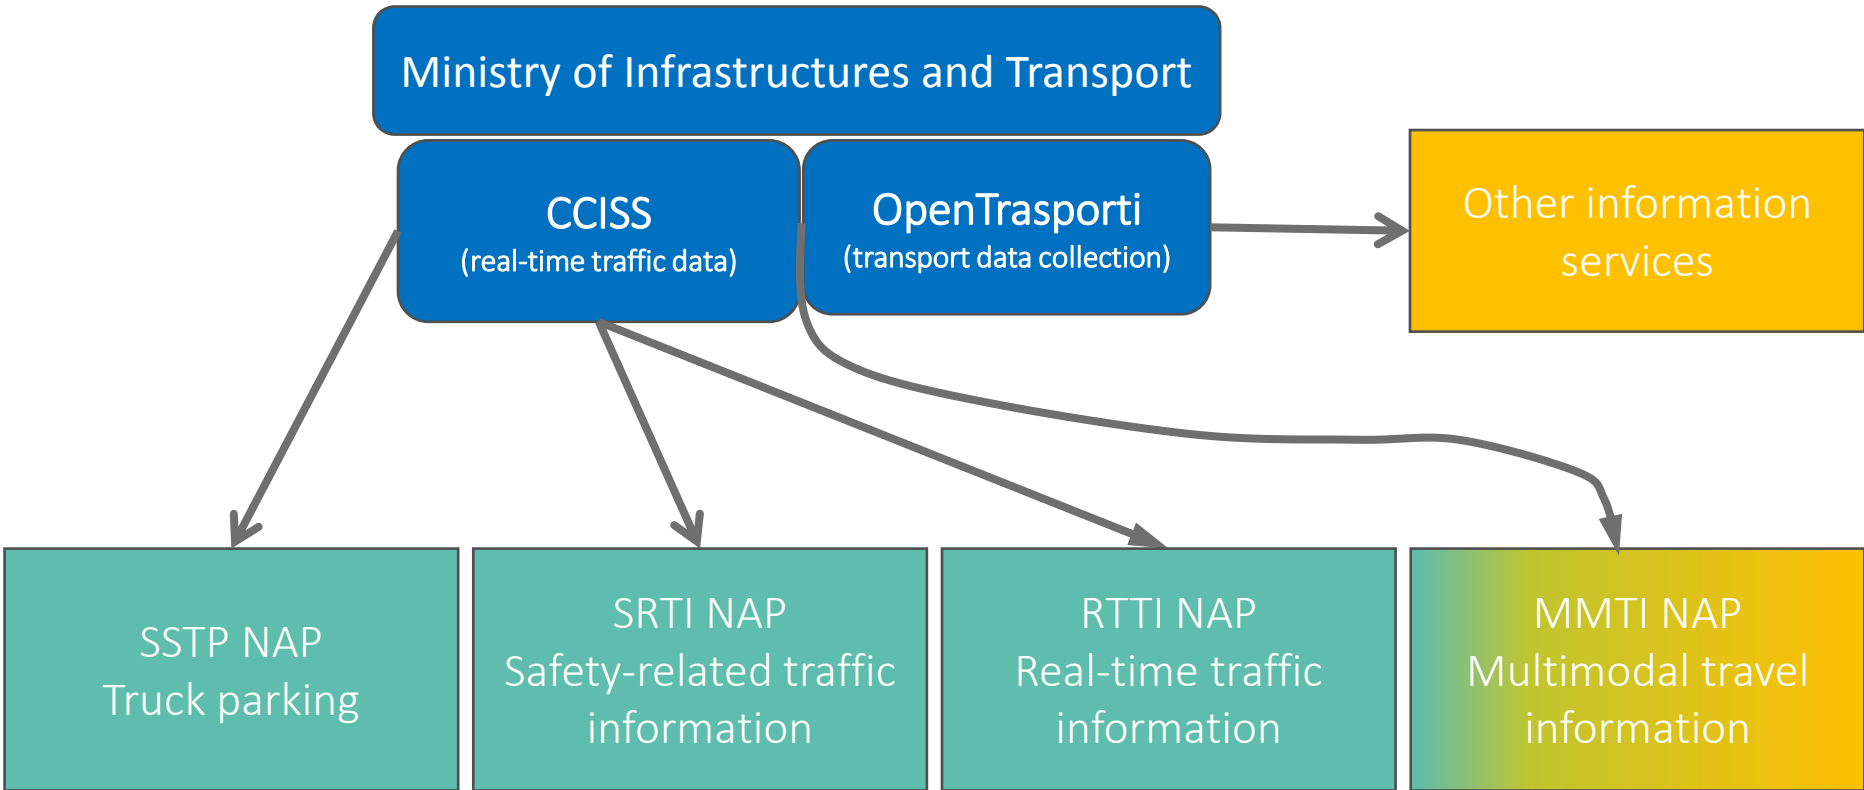

Data collection is very different

Current state of the NAP

Thank you for your attention
